The area we will be visiting is in southern Vermont and southern New Hampshire. It straddles the border between eastern Vermont and western New Hampshire. We will be “headquartered” in Springfield, Vermont. Springfield is close to both the Connecticut River (the border between VT and NH) and I-91.

B. Bridges:

Saturday (14 bridges): Blacksmith Shop (NH), Dingleton Hill (NH), Cornish-Windsor (NH/VT), Martinsville (VT), North Hartland Twins (VT), Taftsville (VT), Union Street (VT), Lincoln (VT), Mill Brook (VT – non-authentic), Brownsville (VT), Bests (VT), Downers (VT), & Titcomb (VT).

Sunday (11 bridges): Wright RR (NH), Pier RR (NH), Corbin (NH), McDermott (NH), Drewsville (NH), Hall (VT), Kidder Hill (VT), Grafton Cheese Shop (VT), Bartonsville (VT), Worrall (VT), & Victorian Village (VT).

C. Accommodations:

Motel: Holiday Inn Express – Springfield, Vermont

Room Rate: \$89/night + 9% tax. **NOTE:** By the end of September, this area of New England is getting into the fall tourist season. The room rate we have is well below the motel’s regular rate. As an additional favor, management has agreed to honor that rate for the two days prior to our safari (Wednesday & Thursday) and the two days following our safari (Sunday and Monday). So, if you are staying extra days, be sure to request the rate for the Pioneers Safari group.

Room type: double beds

Reservations: Reserve by phoning (make sure you let them know that you are with the Pioneers Safari group).
